Kenny's Ford to Kickapoo

Almost 13 miles pass through woods and meadows, sandbars and shale bluffs. Enjoy the scenic river and see plenty of wildlife. This trip starts in the Middle Fork State Fish and Wildlife Area and ends in Kickapoo State Park just before the Kickapoo Bridge. Allow 6-8 hours under normal water conditions.

Kenny's Ford to Bunker Hill/Kennekuk

The upper section begins at Kenny's Ford and finishes at Kennekuk access, about 5.5 miles. (Bunker Hill is used as an alternate if announced prior to trip). Shuttles pick up hourly and return you to Kickapoo. Allow 2-3 hours under normal water conditions.

Kennekuk to Kickapoo

This is the lower 7.3 miles to Kickapoo State Park trip. You'll see plenty of wildlife and lots of scenery. There are sand and gravel bars that make good picnic areas and rest stops along the way. Allow 3-4 hours under normal water conditions.

Bunker Hill to Sportsman's Lake

A shorter trip, about 6.5 miles, ending at Sportsman's Lake. Shuttles run regularly and will return you to Kickapoo.

Sportsman's Lake to Kickapoo

Tube trip starts at the river access near Sportsman's Lake and ends at Kickapoo State Park, a 1.3-mile trip. You'll enjoy the scenic woods by the river as well as shale bluffs and sandbars. This is a one hour trip under normal water conditions.
