- Canoe Access
- Final Exit Location
- Bridge

*mile markers are for map reference ONLY.
markers are NOT posted along the river.

Shangri-La to Ellsworth Park

This is a 6-mile trip down the Salt Fork River. Beginning at Shangri-La you'll pass under 3 bridges, float alongside towering bluffs, and see old railroad history. At the end, turn north at the confluence of the North Fork and exit at the boat ramp in Ellsworth Park.
